

to Summarize: Why the Collaboration Circle matters?

This is where the CollabCircle comes in.

1. Provides in-depth insight and addresses real needs of all EVAGGE. EU Stakeholders
2. Enables robust networks for future collaborations within EVAGGE. EU - universe
3. Supports targeted and impactful EVAGGE. EU research projects.

1. What is the Collaboration Circle?
1 of 4 activity formats implemented

2. Who can participate?
consists of a diverse mix of Stakeholders (researchers, partners, learners...)
(you have probably recognize it: These are exactly the KCT, we want to focus on)

A structured process with 3 online sessions & 30 min [we have time efficiency in mind!] $\Rightarrow$ interactive and participatory format $\Rightarrow$ clear expectations and roles ensure valuable contributions

Goal: Formulating relevant research questions $\Rightarrow$ Focus on Problem Definition instead of solution finding

$\Rightarrow$ EVAGGE 1: defining from huge challenges needs to be breaked down.

What we need are relevant + concrete research questions.

3. What are the KEY FEATURES:

1. Active Involvement: All participants contribute expertise. (The format design makes sure of this.)
2. Credibility: The inclusive process legitimizes the research questions, we then feed in our EVAGGE. EU dialog activities we believe that Co-Creation drives motivation of all stakeholders involved
3. Empowerment and Ownership

You all belong to the target group of the format
Today, we have the chance to get your feedback
We would be very happy if you give us your impressions and comments on the CollabCircle in the upcoming session.
We hope to see you in our topic corner!
